## EXPERIENCE

### Starbucks, San Pedro, CA — *Barista*

January 2022 - Current

I have really enjoyed the pace and environment of working here, and with my background in the arts I assumed the role of chalkboard artist at my store quickly covering every surface I was allowed to. My other duties include, cash handling, customer service, food prep and order fulfillments, mobile and delivery orders, stocking and dating stored food appropriately and sanitation routines.

### South End Club, Torrance, CA — *Camp Counselor*

June - August 2021

This was a fun summer job, my sister and I were hired together and we helped the camp implement animal mascots for the different age groups, created stretching routines before sports activities, kept designated water and sunscreen breaks, and made a get ready "game" so the kids would get changed for the pool faster.

## SKILLS

Excellent at multitasking and meeting deadlines.

I am versatile in my ability to be a team player and team leader.

I am a quick learner and if I know something I can teach it!

I like to be social and take pride in doing my best.

Digital art processes: Adobe Suite, Autodesk Maya, Renderman, Procreate, iMovie (Windows and IOS).

Physical art processes: critics, woodworking, printmaking, plaster, ceramics, drawing, epillog laser, and minor wall repair and painting.

## AWARDS

**Lauren Kirkorian Award** - May 2021

**Berkeley Scholarship** - Fall 2020, Spring 2021

**The Ron Davis Award** - June 2019

## **Worth Ryder Art Gallery, Platform Art Space, Berkeley, CA** — *Intern*

August - December 2019

I worked with other interns and gallery directors to ensure the integrity of the gallery was maintained, handled gallery turnovers, and propositioned and hosted shows that provided enriching content to the UC Berkeley community. My favorite of which was a series we hosted: Color Theory Preformative Lectures with Vreni Michelini-Castillo.

## **Tebo Chiropractic, Redondo Beach, CA** — *Medical Receptionist*

July - August 2019

This was a small chiropractic office, as the only front office staff, I greeted clients, answered phones, handled scheduling, organized patient files and insurances, managed supply, orders, and sales of nutrients and supplements, prepared rooms, and applied heat/cold compresses to clients as directed by their patient file.

## **Santa Monica College Department of Art, Santa Monica, CA** — *Technical Assistant*

June 2018 - June 2019

Between my classes I assisted multiple professors in the art department, handling and researching new processes for wood prints, calibrating printing presses, running the epilog laser, assisting critics, preparing materials for sculpture classes, and creating interesting sets (including models) for drawings.

## **Macy's, Redondo Beach, CA** — *Sales Associate*

December 2017 - March 2018

Started as a seasonal hire and eventually was asked to manage the appliance floor alone during my last month working there, I quit needing to allot more time towards my education.

## **South High School Marching Band, Torrance, CA** — *Graphic Designer*

August 2015 - November 2019

While still in high school, I designed and delivered graphics to be made into t-shirts, web banners, and flyers during the marching band and drumline competition seasons. After I graduated I was asked to continue to design for them and thought a current student the reins before leaving.
